KN95 civilian mask Sunjoy

KN95 face mask made of meltblown nonwoven 4 layers mask for give effective protection against dust, fine particle, pollen and other air-borne parts.

The shape of the face mask is oval and it keeps the mask on your face even for a longer period of time. Thus unlike the regular surgical masks, you won't have to adjust it all the time. It works like a partial barrier which helps keeping the harmful Viruses and Bacterias which are present in the air, at bay.
